

DISCOVER THE DIFFERENCE

Central Campus, Hann Maristes • West Campus, Mamelles

2023-24 ACADEMIC YEAR

Welcome to PreK at Dakar Academy Schools!

We recognize that it can be a big adjustment when your child first starts school. That's why we offer a few options for our youngest DA Lion Cubs at our Central and West campuses. Our standard PreK program runs weekday mornings, starting at age 3. Parents can choose either a 3-day or 5-day program based on their family's preference. PreK students at West campus looking for additional social interaction are invited to join our Discover & Play afternoon sessions, which rounds out a full-day program.

DA Schools' PreK program prepares students for kindergarten, both academically and socially, and our creative teachers invest their time and talents to develop engaging lessons that bring content to life.

- American PreK curriculum with English instruction.
- Students receive weekly courses in art, music and PE where they develop new skills.
- Access to their campus library, as well as the 20,000+ resources across our district libraries.
- Dakar's only English language Speech-Language Pathologist available to students at Central & West campuses.
- 12:1 student to teacher ratio. Classes are kept small to promote individualized learning.

Half-day program for PreK 3 + PreK4

3-days | 3,100 USD

5-days | 5,150 USD

Full-day program for PreK 3 + PreK4

3-days | 4,650 USD
